NITA K II is a 52 meter Amels that was built in 2004 and has undergone a meticulous refit in 2016. Nita K II's interior was designed by Alberto Pinto and Laura Sessa, which is artfully arranged open and serene. It has both modern and contemporary furnishings that are inviting and luxurious. There are neutral tones with metallic accents which complement the natural woods and rich fabrics, the dining areas are large enough to seat up to twelve guests at one time; but may also be configured for intimate meals.

NITA K II can accommodate 12 guests in 5 staterooms. The Master Suite is full-beam and is beautifully appointed with his and her bathroom. There are four other guest staterooms that are also of equal quality. The two VIPs include a full-sized jetted tubs and the two other staterooms have oversized stall showers. Each suite has an abundance of storage, often cleverly concealed, an apple tv airplay and plenty of natural light may be let in or shut out with shades. The exterior areas provide an array of deck space for lounging, al fresco dining and relaxing. The Jacuzzi on the sun deck provides stunning views and complete privacy.
